# Maintenance and Care Instructions

- This product may only be used for its intended purpose for residential premises. Any other uses may affect the warranty.
- Menos furniture is designed to be left outdoors all year round (excluding cushions). To lengthen the life of this product, store away during Autumn/winter months. Cushions should be stored in a dry ambient temperature when not in use. Failure to comply with the outlined care instructions for the cushions will result in the warranty being invalidated.
- Menos cushions are not suitable for dry cleaning and are not machine washable. Sponge clean only. We recommend the use of the Kettler fabric care kit to clean and protect your cushions. This is available to purchase from the Kettler website.
- We recommend you clean your Menos furniture at the beginning and end of the season. To clean your Menos furniture, use warm soapy water only. Never use abrasive chemical or cleaning agents. We recommend the Kettler multi-purpose cleaner to clean your furniture which is available to buy from the Kettler website. Tree sap and bird droppings should be cleaned off immediately.
- Moving parts such as locking mechanisms, catches and joints need to be lubricated where necessary.
- Menos furniture can be covered – we recommend that you only use Menos tailored covers (where available).
- This product is 100% recyclable. At the end of the products life, please dispose of responsibly.
- Colours may vary slightly.

## Attention

Please be aware that painted/varnished surfaces can be damaged by sunscreens and oil based products. If the surface of your Kettler leisure furniture comes into contact with sunscreens, the surface is to be cleaned without delay as described above. Only in this way can lasting discolouration of the surface by the ingredients of the sunscreen be prevented.

# For Your Safety

- This product may only be used for its intended purpose as furniture for residential properties.
- Check all components regularly for correct function, damage and loose connections especially at the start of the season and at 1-2 month intervals dependent on use.
- Damaged components may endanger your safety or shorten the life of the product. Replace all damaged parts immediately. Use only spare parts manufactured by Kettler. Should you wish to purchase spare parts, they can be ordered directly from: **[www.kettler.co.uk/shop](http://www.kettler.co.uk/shop)**
- Kettler will not be responsible for damaged caused by improper use.

## Attention

- Whilst assembling this product keep out of the reach of children. (Choking hazard – contains small parts)
- Ensure that your working area is free of possible sources of danger, for example don't leave any tools lying around.
- Always dispose of packaging material in such a way that it may not cause any danger. There is always a risk of suffocation if children play with plastic bags!
- We reserve the right to make changes for technical reasons.
