Assembly

Do not discard any of the packaging until you have checked that you have all the parts and the pack of fixings.

Helpful advice before you begin:

1. We suggest you spend a short time reading through this leaflet and then follow the simple step by step instructions.
2. Do not discard any of the packaging until you have checked that you have all the parts and the pack of fittings.
3. Assemble this product on a soft surface.
4. To ensure an easier assembly, we strongly advise that all fittings are only finger tightened during initial assembly. Only upon completion of the assembly should all fixing points be fully tightened.
5. We recommend a periodic check on all fixing points to make sure they remain fully tightened.
6. Keep fittings out of children's reach.
7. Do not use any other tools other than those recommended to build this product.
8. Please do not use substitute parts. Use only additional or replacement parts supplied by Kettler.
9. In the unlikely event that this product has missing or damaged parts, please visit our website www.kettler.co.uk/shop.

Care and Maintenance Instructions

- This product may only be used for its intended purpose for residential premises. Any other uses may affect the warranty.
- Kettler furniture is designed to be left outdoors all year round (excluding cushions).
- We recommend you clean your Kettler furniture at the beginning and end of the season.
- To clean your Kettler furniture, we recommend the Kettler multi surface cleaner which is available to buy from the Kettler website. Alternatively use warm soapy water avoiding any harsh chemicals. Tree sap and bird droppings should be cleaned off immediately.
- Moving parts such as locking mechanisms, catches and joints need to be lubricated where necessary.
- Kettler furniture can be covered – we recommend that you only use Kettler tailored covers (where available).
- This product is 100% recyclable. At the end of the products life, please dispose of responsibly.
- Colours may vary slightly.

Attention

Please be aware that painted/varnished surfaces can be damaged by sunscreens and oil based products. If the surface of your Kettler leisure furniture comes into contact with sunscreens, the surface is to be cleaned without delay as described above.

Only in this way can lasting discolouration of the surface by the ingredients of the sunscreen be prevented.

For Your Safety

- This product may only be used for its intended purpose as furniture for residential properties.
- Check all components regularly for correct function, damage and loose connections especially at the start of the season and at 1-2 month intervals dependent on use.
- Damaged components may endanger your safety or shorten the life of the product. Replace all damaged parts immediately. Use only spare parts manufactured by Kettler. Should you wish to purchase spare parts, they can be ordered directly from: www.kettler.co.uk/shop
- Kettler will not be responsible for damaged caused by improper use.

Attention

- Whilst assembling this product keep out of the reach of children. (Choking hazard – contains small parts)
- Ensure that your working area is free of possible sources of danger, for example don't leave any tools lying around.
- Always dispose of packaging material in such a way that it may not cause any danger. There is always a risk of suffocation if children play with plastic bags!
- We reserve the right to make changes for technical reasons.
